## EDUCATE THE CITY, INC.

### WHO WE ARE

Educate the City, Inc. (ETC) is a nonprofit 501(c)(3) organization committed to developing, inspiring and educating young scholars in the greater Metro Atlanta area and surrounding counties.

### Our Mission

To educate and empower young scholars, parents and the community through academic, STEM (science, technology, engineering and math), entrepreneurial and educational services, programs and outreach.

### Our Vision

To develop, inspire and educate young scholars to thrive in their community and become holistic change-makers in a global society.

### What We Do

ETC achieves our mission and vision through community outreach, educational services, and programming:

**Our Scholars’ Academy – STEM in the City, Tech in the City, After School Enrichment Programs, entrepreneurial and educational services and STEAM education summer camps.** With intentionally designed curriculum and creative programs, we expose scholars to and immerse them in opportunities that foster rich learning experiences that cultivate holistic change-makers.

**Parent University –** Educational resources for parents to support their scholars in and out of the classroom. These resources aim to empower parents with the knowledge and tools they need to help their children succeed academically and personally.

**Community Engagement –** Partnerships with local, regional and international organizations to support our mission and vision. The key to our impact is successful community collaborations.

### Get involved! Your Support Will Make a Difference

We rely on your support to continue making a difference. One way we can make change is by partnering with generous individuals who share our passion for scholarly excellence and businesses and community partners that align with our mission and vision.

### How to Support ETC

**Give! Your support is invaluable and will have a significant impact on our scholars' lives.** By sponsoring programming, you can champion our scholars and contribute to their education and development. With a donation of \$33, you can provide activities for a full day of hands-on learning for a scholar. For \$202, you can ensure a week's worth of healthy snacks for ETC scholars. A \$468, you can give scholars safe access to an electronic device to be used for STEM programs throughout the school year. Additionally, a generous donation of \$990 can provide a full month of hands-on STEM learning experiences for a scholar.

**Volunteer! We would love for you to join us!** ETC welcomes volunteers to help support our mission of empowering scholars, parents and the community. Ample opportunities exist for making a difference in our community and we welcome them all! If you're interested in helping students in the Metro Atlanta area please join us as a volunteer.

**Donate! Every contribution makes a difference in the lives of our scholars.**
